Shortcomings of the argument -- 3. Why is the argument so appealing? -- 4. From the argument to skepticism -- 5. Back to dreaming -- Part III: The Cure and Beyond -- 1. Moore -- 2. Wittgenstein -- 3. Beyond -- Appendix A: The infinite regress of justification -- Appendix B: The closure argument.
Sommario/riassunto	'What Do Philosophers Do?' takes up the leading arguments for radical skepticism from an everyday point of view. A range of philosophical methods are examined and employed, for a revealing portrait of what philosophers do, and perhaps a quiet suggestion for what they should do, for what they do best.
