Nota di contenuto	Introduction: black female body politics -- "What free could possibly mean": the intimate sphere in enslaved women's visions of freedom -- Racial violence and the post-emancipation struggle for intimate equality -- Intimate injustice, political obligation and the dark ghetto -- Intimate justice.
Sommario/riassunto	Black women's sexual and reproductive history in America is one marred by forced sterilizations and coerced reproduction. While reproductive rights activists and organizations, historians and legal scholars have all begun to grapple with this history and its meaning, political theorists have yet to do so. 'Intimate Justice' charts the long and still incomplete path to black female intimate freedom, challenging the way in which we conceive of equality.
