Sommario/riassunto

For Introduction to Managerial Finance courses. Guide students through complex material with a proven learning goal system. This system - a hallmark feature of Principles of Managerial Finance, Brief- weaves pedagogy into concepts and practice, giving students a roadmap to follow through the text and supplementary tools. MyFinanceLab for Principles of Managerial Finance: Brief, Seventh Edition creates learning experiences that are truly personalized and continuously adaptive. MyFinanceLab reacts to how students are actually performing, offering data-driven guidance that helps them better absorb course material and understand difficult concepts - resulting in better performance in the course. A dynamic set of tools for gauging individual and class progress means educators can spend less time grading and more time teaching. This program will provide a better teaching and learning experience-for you and your students. Here's how: Improve Results with MyFinanceLab: MyFinanceLab delivers proven results in helping students succeed and provides engaging experiences that personalize learning. Guide Students with a Proven Learning Goal System: Integrating pedagogy with concepts and practical applications, this system presents the material students need to make effective financial decisions in a competitive business environment. Provide Real, Hands-on Examples and Connections: Personal finance connections, international considerations, and Excel® spreadsheet practice help students identify and apply concepts in their daily lives. Please note that the product you are purchasing does not include MyFinanceLab. MyFinanceLab Join over 11 million students benefiting from Pearson MyLabs. This title can be supported by MyFinanceLab, an online homework and tutorial system designed to test and build your understanding. Would you like to use the power of MyFinanceLab to accelerate your learning? You need both an access card and a course ID to access MyFinanceLab. These are the steps you need to take: 1. Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system. 2. Check whether an access card has been included with the book at a reduced cost If it has, it will be on the inside back cover of the book. 3. If you have a course ID but

no access code, you can benefit from MyFinanceLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyFinanceLab (ISBN:9781292060385) 4. If your lecturer is using the MyLab and you would like to purchase the product... Go to www.myfinancelab.com to buy access to this interactive study programme. For educator access, contact your Pearson representative. To find out who your Pearson representative is, visit www.pearsoned.co.uk/relocator.
