Hill Visual pleasure, the cult, and paracinema / Sherryl Vint "Lack of respect, wrong attitude, failure to obey authority" : Dark star, a boy, and his dog, and New Wave cult SF / Rob Latham Capitalism, camp, and cult SF : Space truckers as satire / M. Keith Booker Bubba Ho-tep and the seriously silly cult film / Jeffrey Andrew Weinstock.

1.

Critical discussion of cult cinema has often noted its tendency to straddle or ignore boundaries, to pull together different sets of conventions, narrative formulas, or character types for the almost surreal pleasure to be found in their sudden juxtapositions or narrative combination. With its own boundary-blurring nature - as both science and fiction, reality and fantasy - science fiction has played a key role in such cinematic cult formation. This volume examines that relatively unexplored relationship, looking at how the SF film's own double nature neatly matches up with a persistent double vision common to the cult film.
