Disciplina	813/.6
Soggetti	Lawyers Corporations Corruption
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"As America's giant law firms start to behave like Wall Street conglomerates, Big Law arrives as a page-turning, in-the-know, cautionary novel of a legal revolution gone mad. As a young partner at Dunn & Sullivan, one of New York's most prestigious law firms, Carney Blake has represented dozens of high-profile clients. But being a pawn of Big Law often means defending the corporate dirt bags of the world--the spillers, the drillers, and the killers. Morality aside, Carney is starting to make a name for himself, despite having a father who resents his success and an unpredictable big brother bent on self-destruction. So when Carney is suddenly asked by his firm's chairman to represent the plaintiffs in a class action lawsuit--and not, as usual, the corporate bad guys--he warily accepts. Maybe they're turning a corner, he thinks. And even if they aren't, when else has a junior partner been assigned such a major case, with a possible billion dollar payout? But Carney can't fool himself for very long. As he digs deeper into the case, he uncovers corruption and maliciously orchestrated schemes that go straight to the top of Dunn & Sullivan--along with the true motives behind his placement on the case. Written by former top litigator Ron Liebman, Big Law is a thrilling, fast-paced roman a clef that exposes the secrecy, deception, and machinations underlining

America's most powerful mega-firms"--
