Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Establishing a classroom culture of learning -- pt. 2. Core concepts across the curriculum -- pt. 3. Wider dialogues : educational adventures in the conversation of mankind.
Sommario/riassunto	Dialogue has long been used in primary classrooms to stimulate thinking but it is not always easy to unite the creative thinking of good dialogue with the need for children to understand the core concepts behind knowledge rich subjects. Dialogic Education builds upon decades of practical classroom research to offer a method of teaching that applies the power of dialogue to achieving conceptual mastery. Easy to follow lesson plans and activity ideas are provided, each of which has been tried and tested in classrooms and is known to succeed.
