Sommario/riassunto	<p>For undergraduate Principles of Management courses REAL Managers, REAL Experiences With a renewed focus on skills and careers, the new edition of this bestselling text can help better prepare your students to enter the job market. Management, Thirteenth Edition vividly illustrates effective management theories by incorporating the perspectives of real-life managers. Through examples, cases, and hands-on exercises, students will see and experience management in action, helping them understand how the concepts they're learning actually work in today's dynamic business world. Students will gain hands-on practice applying management concepts with MyManagementLab. They'll engage in real business situations with simulations, build their management skills by writing and talking about different management scenarios, have access to a video library to help put concepts into perspective, and more. Also available with MyManagementLab MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts..</p>
