Sommario/riassunto	In its 9th Edition, Developing Management Skills has become the standard in hands-on management learning. Designed for students of all skill levels and learning styles, the text allows students to apply knowledge to real-world situations, connect concepts to their own lives, and experience management theory in a tactile and engaging way. Updated for tomorrows managers, this text features contemporary examples, new skill assessments and cases, updated research, and tangible, relevant goals for students to work toward. Focusing on ten essential skills for success in management, Developing Management Skills focuses on what managers actually do, transforming management concepts into practical, actionable techniques.--
