The queen on trial : spectacle of innocence, performance of beauty / Yasmina Foehr-Janssens -- 11. Claude of France : justice, power, and the Queen as advocate for her people / Kathleen Wilson-Chevalier.

| Sommario/riassunto | "Thoroughly interdisciplinary in approach, this volume examines how concepts such as the exercising of power, the distribution of justice, and transgression against the law were treated in both textual and pictorial terms in works produced and circulated in medieval French manuscripts and early printed books. The essays analyse a wide variety of texts to offer new insights into the ways in which the language and imagery of politics and justice permeated medieval French culture"-- Provided by publisher. |
