Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	In the mining town of Garnant, in South Wales, in 1921 a shopkeeper is brutally murdered: stabbed, slashed, and battered by his assailant. His safe is empty, the town is agog. A number of suspects are identified but released. Who killed Thomas Thomas? For over ninety years Thomas's death was a mystery, until journalist Steve Adams solves the case in this book.
