Sommario/riassunto	<p>ANowadays Kendra Schmitt puts most of her time into the new clinic in Cedar Tree. Always the responsible one in her family, she has avoided any kind of entanglement. In particular with a persistent young investigator. With her schedule a bit more predictable, she is ready to explore a personal life and concedes to what turns out to be a disastrous blind date.Junior member of the GFI team, Neil James, has seen and experienced more than most at his age. When his team becomes part of a task force investigating a series of murders in the area, his protective instincts kick into high gear. The victims' profiles closely match that of a certain physical therapist.Neil has been trying unsuccessfully for over a year to get closer to Kendra. Now that she might be in danger, he's determined to break through her resistance and goes all out to win her trust.Especially now that the killer's focus appears to have zeroed in on Kendra.</p>
