Nota di contenuto	A world of money -- What do economists do? -- Show me the money -- What's it worth? -- Does money make the world go round? -- Can money buy happiness? -- What's in my pocket? -- Directory of economists.
Sommario/riassunto	An engaging introduction to economics from world markets to personal finance. "Who decides what something's worth? Do you really have any control over how you spend your money? Economics is full of big questions that apply to all parts of our lives, from buying clothes or computers to saving for the future. Let Heads Up Money be your perfect introduction, detailing the great thinkers and revolutionary ideas that have changed economics over time. If you've ever had money on your mind, this is the book for you."--Back cover.
