Sommario/riassunto	What are the consequences when international actors step in to protect LGBT people from discrimination with programs that treat their sexualities in isolation from the ""facts on the ground""? Robert Lorway tells the story of the unexpected effects of The Rainbow Project (TRP), a LGBT rights program for young Namibians begun in response to President Nujoma's notorious hate speeches against homosexuals. Lorway highlights the unintended consequences of this program, many of which ran counter to the goals of local and international policy makers and organizers. He shows how TRP inadvertently dimi
