Sommario/riassunto	In the post-NAFTA era, Canada and Mexico face dramatic and irreversible changes from the Bush revolution in foreign public policy, the rising economic power of China and India, new concerns about border security and human rights, and the trends of economic integration. The essays in Big Picture Realities: Canada and Mexico at the Crossroads address the sea change in the political economic order of North America and chronicle the attempts of Canada and Mexico, two very different societies, to come to terms with the accumulated and often contradictory effects of micro and macro change
