Sommario/riassunto	We're all searching. Sometimes the search is easy: simply type a question and the answer pops up. But sometimes our questions are complicated, and the answers are difficult to see and harder to articulate. How do we discover and examine the truths that give meaning and purpose to life? Adam Hamilton believes that some powerful answers are contained in the Apostles' Creed, an early statement of foundational Christian beliefs. In this book for Lent, Easter, and beyond, Hamilton considers important questions of life, reality, and truth. He explores not only what Christians believe, but also why they believe it and why it matters. Chapters include: God Jesus Christ The Holy Spirit The Church at the Communion of Saints The Forgiveness of Sins The Resurrection of the Body Creed: What Christians Believe and Why is also part of a six-week church-wide program that includes a Leader Guide, DVD, and youth and children resources.
