Sommario/riassunto	SEEKING THE SMART ONE Twenty-four-year-old Jen Reid had her life in good shape: an okay job, a tiny-cute Seattle apartment, and a great boyfriend almost ready to get serious. In a flash it all came apart. Single, unemployed, and holding an eviction notice, who has time to remember trying out for a reality show? Then the call comes, and Jen sees her chance to start over--by spending her summer on national TV. Luckily The Fishbowl is all about puzzles and games, the kind of thing Jen would love even if she wasn't desperate. The cast checks all the boxes: cheerful, quirky Birdie speaks in hashtags; vicious Ariana knows just how to pout for the cameras; and corn-fed "J-dawg" plays the cartoon villain of the house. Then there's Justin, the green-eyed law student who always seems a breath away from kissing her. Is their attraction real, or a trick to get him closer to the \$250,000 grand prize?

Romance or showmance, suddenly Jen has a lot more to lose than a summer ...
