Sommario/riassunto	Bestselling author Kay Hooper puts a contemporary spin on Romeo and Juliet in this sweet, sexy Once Upon a Time novel. Joined by fate, two sworn enemies trade in corporate warfare for an earthshaking tropical fling. On a Caribbean island far from the gleaming towers of Atlanta, Michele Logan's beach vacation takes a hellish turn when she's stranded on the side of the road--and who should appear as her knight in shining armor but Ian Stuart? Back in Georgia, their two powerful families are committed to destroying each other, at least in the business world. But under the moonlight in Martinique, Michele surrenders to the sizzling touch of a man who's supposed to be off-limits. Ian doesn't know what's gotten into the head: the blue sea, the crystal-clear air. . . . Whatever it is, the moment he lays eyes on Michele, Ian lets himself get swept up in a primal dance of desire, a ritual even older than the feud between the Stuarts and the Logans. Night after magical night, Ian finds one more reason to hold on to Michele forever. But with sleazy corporate villains bent on destroying both families, a fairy-tale ending is nothing more than fantasy--unless Ian takes destiny into his own hands. Includes an excerpt from another Loveswept title.
