Sommario/riassunto	The Antichrist (1895) is a book by Friedrich Nietzsche, a philosopher who, if anything, knew the art of branding. This work is as controversial today as it was when it was published - and a delayed publishing it was, due to said controversy. The Antichrist basically states that Christianity has formulated a concept of evil that has banned the instincts of the "higher man," or intellectually vigorous individuals, and has championed the natures of those who are weak and of inferior spirit. That said he wasn't calling for a ban on Christianity - for some it worked quite well, he thought - but
