Sommario/riassunto

This book features the best papers presented at the Singapore Conference on Applied Psychology in 2016. Chapters include research conducted by experts in the field of applied psychology from the Asia-Pacific region, and cover areas such as community and environmental psychology, psychotherapy and counseling, health, child and school psychology, and gender studies. Put together by East Asia Research (Singapore), in collaboration with Hong Kong Shue Yan University, this book serves as a valuable resource for readers wanting to access to the latest research in the field of applied psychology with a focus on Asia-Pacific.
