Sommario/riassunto	In this challenging and entertaining audio program, internationally recognized Jungian teacher and theorist James Hillman, Ph.D., presents the themes he writes about in his well-known book, <i>The Soul's Code</i> . The fantasy of the family remains the dominating theme of psychotherapy and psychotheory. In this recording, Dr. Hillman brings his critical eye, his wide eye – and often his absurd humor – to bear upon the myths that operate in our thoughts about family.
