Sommario/riassunto	We are extremely proud to offer this third and final part of the audio series A Blue Fire from a timeless workshop recorded years ago with the late, great James Hillman. You can also get the complete series which includes all three parts here at a discount. James Hillman's A Blue Fire burns through the entire range of his life's work in this lecture. Recorded during a seminar weekend in Rowe, Massachusetts, this talk is a conflagration of ideas. The result is Hillman revisions himself, his work, and archetypal psychology. Hillman reads from and reflects on his life's work.
