Sommario/riassunto	I lost track of the drinks . . .Deeper and deeper I go . . .This next stop may be my last.Another town, another problem. Former Marine Daniel Briggs slips from locale to locale, the haze a comforting pillow, but inevitably the chips fall hard.Daniel finds himself in Maine, courtesy of a small hamlet called Old Orchard Beach. While everything seems quaint on the surface, the veteran sniper soon finds himself pitted between evils. Which one will he choose . . . or which one will choose him?Is this a story about vigilante justice, or a hero on a righteous path?
