Sommario/riassunto	<p>The Tennessee Zone, Year 2057It's been ten years since the Collapse. The survivors live off what they can grow, find, or steal. A man known as Ryker is among the survivors, a family man with a mysterious past. When his family's relative safety is taken, he's forced to join what's left of civilization to care for his wife and children. But will his newfound allegiance to the government of the Tennessee Zone save them or plunge them into darker peril, and will the powers-that-be use Ryker for their own nefarious needs?</p>
