ISBN	1-5124-4782-X
Descrizione fisica	1 online resource (40 p.)
Disciplina	577.144
Lingua di pubblicazione	Inglese
Formato	Musica
Livello bibliografico	Monografia
Sommario/riassunto	Audisee® eBooks with Audio combine professional narration and text highlighting to engage reluctant readers!Carbon is everywhere. It is constantly moving between the air, water, rocks, and living things. But did you know that none of these things would exist without the carbon cycle? Or that humans have caused the carbon cycle to be out of balance? Learn more about the carbon cycle in this fascinating book.
