Sommario/riassunto	Audisee® eBooks with Audio combine professional narration and text highlighting to engage reluctant readers! Do you think there's no more to know about homonyms and homophones? This book will prove you wrong! With dozens of laughs per second, the value of the lesson doesn't lessen the second time around. Brian P. Cleary's playful rhymes and Martin Goneau's humorous illustrations creatively present fresh examples of homonyms and homophones for young readers. For easy identification, each pair of homonyms or homophones appears in color, and the comical cats help bring each idea to the fore. A Bat Cannot Bat, a Stair Cannot Stare: More about Homonyms and Homophones turns traditional grammar lessons on end! Read and reread this book aloud and delight in the sense--and nonsense--of words.
