| Sommario/riassunto | <p>Book One in the Dark Blood Saga Handsome, brilliant, and surrounded by good friends, twenty-three-year-old medical student Miles Fox has a secret--and it's not that he's gay. Though he harbors a crush on his straight best friend, Luke. Miles, like his grandmother, Anna, possesses the healing gift, an ability she's made him swear never to use or divulge, lest horrible things befall those he loves. It happened to her when Nazis butchered her family. But it all goes to hell when Miles heals a terminally ill man on a New Orleans cancer ward and wakes locked in the psych unit. Worse, news of the healing miracle spreads. For millennia, its carriers have been hunted by those who would steal it. Dr. Gerald Stangl and his teenage son, Calvin, know what Miles possesses. They, like their predecessors, will stop at nothing to take it, including kidnapping, torture, and murder. As the Stangls' noose tightens, Miles and Luke are trapped in a death match with stakes higher than they could ever imagine.</p> |
