Sommario/riassunto	<p>The Mages' Guild Trilogy: Book 1 In a world where magic is outlawed and punishable by death, Tasis Kadara has much to fear. When he discovers his magical ability, he also finds out he's been chosen to resurrect the legendary Mages' Guild of the Dragon's Claw. With only some disturbing dreams and a strange cat to guide them, Tasis and his sister Zaree leave home in hopes of finding the isle that once housed the guild. Aid comes from an unexpected source when the siblings encounter Kelwin Tiovolk during a fight at a tavern. The elf has journeyed from his home to brave the dangers of human society at his teacher's recommendation, and since then his dreams have been full of someone who looks suspiciously like Tasis. Wanting to see where fate leads them, Kelwin pledges his assistance to Tasis and Zaree. But will Tasis find what he's looking for, or will he die trying? The present is about to meet the past, as a thousand years of waiting for magic to return to the world that needs it comes to an end.</p>
