Sommario/riassunto	<p>For those who know that something is going on The witnesses are legion, scattered across the world and dotted through history, people who looked up and saw something impossible lighting up the night sky. What those objects were, where they came from, and whoor whatmight be inside them is the subject of fierce debate and equally fierce mockery, so that most who glimpsed them came to wish they hadnt. Most, but not everyone. Among those who know what theyve seen, andlike the toll of a bell that cant be unrungare forever changed by it, are a pilot, an heiress, a journalist, and a prisoner of war. From the waning days of the 20th centurys final great war to the fraught fields of Afghanistan to the otherworldly secrets hidden amid Nevadas dusty neverlandsthe truth that is out there will propel each of them into a labyrinth of otherworldly technology and the competing aims of those who might seek to preventor harnessthese beings of unfathomable power. Because, as it turns out, we are not the only ones who can invent and buildand destroy. Featuring actual events and other truths drawn from sources within the military and intelligence community, Tom DeLonge and A.J. Hartley offer a tale at once terrifying, fantastical,</p>

and perhaps all too real. Though it is, of course, a work of fiction?
