Sommario/riassunto	<p>One couple begins a Monday much like any other, not prepared for the fallout of the next three fateful days. Dez Parker, a former professional football star, and his fiancée, Sabrina, a divorced tax lawyer, have spent two years carefully carving out their future together. Then the unthinkable happens. Sabrina disappears from her office parking lot and a city-wide search is launched. Fearing the worst, Dezs life stops while he waits for a miracle. Barely escaping her kidnapper with her life, Sabrina fights her way back to safety and Dez. But she is forever changed and her fight to find a new normal is not a quick and easy one. Can their relationship survive when neither of them will ever be the same again?</p>
