| Sommario/riassunto | Guarantee your mastery of psychiatric mental health nursing knowledge while honing your critical-thinking and test-taking skills. Over 900 multiple-choice and alternate format questions, organized by specific disorders, make a difficult subject more manageable. Rationales for both correct and incorrect answers as well as test-taking tips help you to critically analyze the question types. Plus, two, 75-question exams online at DavisPlus help you assess your overall progress. Thoroughly updated and enhanced throughout, the 3rd Edition of this AJN Book of the Year incorporates DSM V and even more of the most difficult alternate-format questions.--Provided by publisher. |
