| Sommario/riassunto | <p>New York Times bestselling author Nalini Singh continues her Rock Kiss series with a hot, sweet, emotional contemporary romance about love and forgiveness... After a lifetime of longing for a real family, Sarah Smith thought she'd finally found her home with rock star Abe Bellamy, even if she knew Abe didn't love her the way she loved him. But their brief relationship, filled with tragedy and heartache, nearly destroyed her. Alone, emotions in turmoil, and already shaky self-esteem shattered, Sarah struggles to pick up the pieces in the wake of their divorce. Abe knows he's to blame for the end of his marriage. Caught in a web of painful memories, he pushed away the best thing in his life — the sexy, smart woman he adores — breaking them both in the process. Then fate throws him a second chance to get things right, to prove to Sarah that she means everything to him. Abe desperately wants that second chance at love... even if he knows he doesn't deserve it. But can he convince Sarah — now strong and independent without him — to risk her wounded heart one more time?</p> |
