Sommario/riassunto	Sequel to The Midnight GardenerThe Town of Superstition: Book TwoThaddeus Cane's life changed when he learned he is the son of a witch and a wizard, and now he's undertaken a mission to find his mother, who was cursed not long after Thaddeus was born. He enlists the aid of his father, Nathan; his boyfriend and neighbor, Teofil Rhododendron, a garden gnome; and Teofil's mother, brother, and sister. As they journey through a world that seems normal on the surface, they meet many magical creatures, some kind and helpful, others evil and dangerous. When Nathan suffers a life-threatening injury, Thaddeus might be forced to abandon the quest to find his mother in order to save his father.
