Sommario/riassunto	Lost in a sea of grief, having to cope with huge changes and losing herself in the start of a new life, Sophia Barry had no idea what she was walking into. When she stepped into a house with a rich history, she hadn't imagined it could become quite so tangible. Anton Du Buisson, having lost love many times, had all but given up on its existence. He was frozen and tormented in his past until he laid eyes on her for the first time. What she made him feel brought him back to life. She's falling into his violent desires, and together they give each other new reasons to hope, love, and want to live. Content Notes: Intense, Anal Intercourse, D/s Elements, BDSM, Lifestyle, Sexual Fetish, Voyeurism, Spanking, Light BDSM
