| Sommario/riassunto | As a former cheerleader turned member of an all-female PI firm, Summer O'Keefe knows how to flirt with sexy bad boys and take down dangerous bad guys. But sometimes it can be tricky to tell the difference Summer's new neighbor, Jason Parker, has gorgeous eyes and a mighty cute butt. He'd be a good choice to put an end to her |

romantic dry spell if she hadn't spotted him in the middle of the night, burying something or someone in his backyard. Not to mention his distinct resemblance to the international arms dealer she's tracking online. Either way, he's definitely wanted. Jason has a few secrets, and he's not sharing them with the slightly nutty Summer at least not yet. Though he's finding it hard to say no to her, with her scrumptious curves and impressive computer skills. He's so far gone he's even taken in a pregnant cat, just to see the smile on Summer's face. But when a local woman disappears, it's time for them to team up and use their combined brains, brawn, and beauty to crack the case. A fun rom-com with a dose of mystery that will keep readers on their toes. This is a story you'll want to gobble up quicker than a slice of pie.' RT Book Reviews, 4 Stars
