Well, a newly-freed convict who now holds her future in his hands. Sebastian Anderson only wants to grow his business, Full Moon Brewery, and take care of his changing werewolf pack. But when a witch asked him for help, he never forgot the promise he made her, nor the strange draw he felt toward her. That promise turns his life upside down, and may be the only way to save not only Briony, but everyone else he cares about. Will a team of united creatures be enough to defeat

the powerful force that threatens them all?
