Sommario/riassunto	<p>Shannon Callaghan wakes up to a world and a life she doesn't recognize. In the midst of such circumstances, she's relieved to find that she has a kind and devoted fiance in handsome, yet mysterious, Jack MacCarrick. As time passes, however, it becomes clear to Shannon that this is no ordinary engagement-and Jack is no ordinary man. A wedding is impending and she has to make a decision soon, but the life she appeared to be living with Jack is one that she isn't sure she wants to continue.</p>
