Sommario/riassunto	Midnight Before Christmas, Book 5 in the bestselling Midnight Shifters series is a spine-tingling adventure of dragon shifters, secrets, and romance you won't be able to put down! This holiday romance from USA Today Bestselling paranormal romance author Renee George is a winner. When Max Gray is sent on a secret mission to Minnesota, the dragon shifter blows his supernatural cover to rescue champion figure skater Rachel Campbell. Even though Max must investigate other worlder vigilantes to insure his queen's safety, Max can't resist Rachel. Their passion is hot enough to melt glaciers. But when Rachel's parents are put into deadly jeopardy, they must work together to save both human and other worlders in time for Christmas. This paranormal dragon shifter romance contains magic, supernatural beings, and romantic suspense. Previously Published: (2015) A Very Alpha Christmas Anthology
