Sommario/riassunto	<p>Locked Box from contemporary romance author Eve Dangerfield is a dangerous, funny, and sexy read you will love from start to finish. Julia and Max sizzle in this hot romantic comedy. Julia Bennett isn't having a great day. Funding for her video game is low, her day job is sucking her dry, and to cap it all off she's locked in a police station with the very handsome, extremely married guy she's been avoiding at all costs. Max Connor isn't having a great year. He's getting divorced, his best friend is squatting in his house, and his inappropriate crush on the IT girl is getting out of hand. And that was before he locked the two of them in an evidence room. Surrounded by three decades' worth of drugs, guns,</p>

and floppy disks, Max and Julia are forced to confront the heat that lies between them with dangerous, funny, and occasionally toe-curlingly sexy results. Content Notes: Hot, Spanking, Contemporary, Romantic Comedy, Uniformed Heroes
