Sommario/riassunto	<p>Re-release (2014) Secret Cravings Publishing That Sweet Burn from romance author Temple Madison is a hot, gay, contemporary romance that will keep you turning the pages from beginning to end. Find out what happens when two opposites attract and secret desires are unleashed. Though Dimitri Silvetti is living a straight life in the outside world, his inner thoughts are filled with secret longing for other men. Many times, he has caught himself looking past the beautiful female cleavage, or the perfect feminine form, and focusing on a handsome man's muscled ass or six-pack abs. Even so, he never once returned a smile, a wink, or suggested a liaison, feeling nervous as a virgin about having sex with a man. Then he meets a dark, handsome Latino from Argentina with an ego as big as Texas. His name is Franco Moretti, and he refuses to let Dimitri back away. Franco's seductive ways don't just ease open the closet door--they kick it down and stomp it into splinters. Despite his fears, Dimitri has a feeling it won't be long before he has his first experience with the sweet burn of another man's love.
