Sommario/riassunto	(A standalone Heartbreaker Bay novel) There's no such thing as a little in love . . . Elle Wheaton's priorities: friends, career, and kick-ass shoes. Then there's the muscular wall of stubbornness that's security expert Archer Hunt—who comes before everything else. No point in telling Mr. "Feels-Free Zone" that, though. Elle will just see other men until she gets over Archer . . . which should only take a lifetime . . . There's no such thing as a little in lust . . . Archer's wanted the best for Elle ever since he sacrificed his law-enforcement career to save her. Their chemistry could start the next San Francisco earthquake and he craves her 24/7, but Archer doesn't want to be responsible for the damage. The alternative? Watch her go out with guys who aren't him . . . There is such a thing as . . . As far as Archer's concerned, nobody is good enough for Elle. But when he sets out to prove it by sabotaging her dates, she gets mad—and things get hot as hell. Now Archer has a new mission: prove to Elle that her perfect man has been here all along . . .
