Sommario/riassunto	The current volume of the Forschungen in Ephesos presents the concluding results of the recent archaeological and art-historical investigations at the monumental tomb in the hinterland of Ephesos. The date of the Mausoleum can be fixed accumulative between 310 and 280/70 BC and following the interpretation of references regarding the monument's dedication and the sources for the historical events Antigonos I. Monophthalmos is recognised as the newly identified personality to whom the Mausoleum belonged.
