Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Simon Templar always imagined the worst thing that could happen to him was his parents' decision to give him the same name as a fictional hero. But then his entire life changes one evening when his drunken father-in-law to be divulges some shocking news about his daughter-- the love of Simons life. In the aftermath of the revelation Simon attempts to rebuild his hopes through the strength of his best friendship with Sean and many failed attempts at new relationships. Simon Says is about learning to love again, forgive mistakes and completely understand the meaning of FUBAR.</p>
