Sommario/riassunto	<p>Kyle Green is on top of the world. He and Matt have been together for ten years, and--as the voice of Ecos, the wildly popular anime character--Kyle is treated like a rock star in anime circles. But in an instant, a stroke leaves him blind. When photographer Matt gets the opportunity of a lifetime, Kyle reexamines their relationship, discovers it has been a safety net rather than a true romance, and sets Matt free to pursue his dream. Kyle's life and career as he knew them are gone, and he must now find the courage and creativity to draft a new plan. After being away for fifteen years, Seth Caplan comes home to Chicago to care for his mother and to partner with a small start-up tech company. He and Kyle meet after Kyle's collision with a child's sidewalk toy, and they hit it off. Kyle wants to get back into running, and Seth becomes his guide. As they get to know each other, they start seeing each other beyond their three-times-a-week runs. But Seth's revelation of the dark reason why he left his career in California sends the relationship into a tailspin and leaves both men running blind.</p>
