Sommario/riassunto	<p>A Rocky Mountain Boys Novel Happily ever after has no map, but sometimes fate sends a guiding light. Gabe Rice, a seasonal ranger at the Rocky Mountain National Park, can't seem to get his life on the right trail. He loves the rugged beauty of the land, and there is no place he would rather live than the mountain community of Estes Park. But after six years, Gabe is beginning to wonder if he'll ever get a full-time position or find love. When Gabe sees Luis--and hears his gorgeous singing--he's compelled to meet him. Luis Martinez, the new owner of a hotel and steak ride business in Estes, left California and a career as a therapist for a fresh start in Colorado. But even the beauty of the mountains can't help him forget the past or move forward. Unprepared for his strong attraction to Gabe, Luis is ready to run and hide from emotions he never thought he'd have again. Suddenly the path ahead opens to a future that looks brighter for both of them, if they can find the courage to walk forward--together.</p>
