Sommario/riassunto	<p>This book will help you grow in God, strengthen your faith and build a sure foundation as a believer in Christ! The Bible compares the life of a believer to the construction of a building. "For we are labourers together with God: ye are God's husbandry, ye are God's building" (1 Corinthians 3:9). Each believer is united in Christ with other Christians from the Church. The Bible also compares the Church to a building: "In whom ye also are builded together for an habitation of God through the Spirit" (Ephesians 2:22). So to build you need a good foundation. A foundation is a natural or prepared ground or base on which some structure rests. It's the beginnings or first principle of a system of truth. Luke 6:46-49 When you come to Jesus Christ, and hear and does what he says, you build a foundation on a rock, so when trouble comes, your life will not be shaken. So lay a foundation on the rock and dig deeply into the things of God, which is normally hidden, and above man's scrutiny.</p>
