Sommario/riassunto	"Braxton, 1903 The serial killer known only as the Phoenix continues to roam the streets and a new victim falls prey. "For Moira and Detective Keenan Edwards, still on the hunt for the Phoenix, the rules have changed. The killer remains beyond their grasp. Moira is willing to give into her fierce attraction to Keenan. However, the detective proves to be more reluctant despite a moment of heated passion. Then discovery of a secret Keenan never planned to share creates an unwelcome rift between the new lovers. Keenan isn't the only one hiding something. In this continuation of the Memory Collector series, Moira makes a startling disclosure about her past. This revelation will not only test the boundaries of love, but might also prove to be the clue that will finally unravel the mystery of the Phoenix.
