Sommario/riassunto	What's it like to be a police officer? Perhaps one day you might like to become a police officer too? In this book you will meet our policewoman, Amanda - and some of her colleagues - and see what she does at work every day. Find out what it is like to go on patrol, all about the kit she uses and what happens when they attend crimes. Brilliant introductory books for very young readers that follow real professionals around their place of work to give a flavour of what it means to work in a particular job.
