Sommario/riassunto	""John Henry Biggart was quite simply the most creative force in Ulster medicine in the twentieth century, perhaps ever."" With these words Sir Peter Froggatt, former Vice-Chancellor of Queen's University, Belfast begins his foreword to John Henry Biggart: Pathologist, Professor and Dean of Medical Faculty, Queen's University, Belfast by Denis Biggart, his son. The first part of the book is based on memories of John Henry which he jotted down in his last few years for his own edification. He covers such themes as: early childhood in the country with his parent school teachers,
