Sommario/riassunto	NOTE: This book is in the Irish language only - there is no English language translation in the publication. Is there a vampire 'living' at the bottom of your garden? Marius is a very special vampire who lives in the garden of a young boy named Ailfi. Marius, you see, prefers fig rolls and cake to blood and flesh. When all the everyday troubles of life - such as ultra-violet lights and cloves of garlic - threaten this poor undead creature, it's no wonder he becomes cranky when every doesn't work out just as he'd planned! For young adults (10-13) and young adults of every age! This book
