Sommario/riassunto	This incisive book provides a critical history and analysis of community organizing, the tradition of bringing groups together to build power and forge grassroots leadership for social, economic, racial, and environmental justice. Begun by Saul Alinsky in the 1930s, there are today nearly 200 institution-based groups active in 40 U.S. states, and the movement is spreading internationally. David Walls charts how community organizing has transcended the neighborhood to seek power and influence at the metropolitan, state, and national levels, together with such allies as unions and human rights a
